Dear Teacher:

Your class is scheduled for an education program at the

San Mateo County History Museum on _____

During the tour, students discover what it was like to travel a long time ago. In the *Journey to Work* exhibit, students will climb into a stagecoach, listen to a railroad story, and “drive” a streetcar. The students will also visit one other transportation exhibit.

The program will start at _____, and it will last approximately 1 hour. If you have a large class, the tour may take up to 90 minutes to allow all the students a chance to try the hands-on activities. Please divide your class into ____ groups for the activities.

The following will help make the trip a success:

1. Upon arrival, please wait in the entry area until the whole class has arrived and the docent is ready to begin.
2. **ONE CHAPERONE PER EVERY FIVE (5) CHILDREN IS REQUESTED.**
3. Students must have **NAME TAGS.**
4. Lunches or snacks may be eaten in the classroom or outside the museum. Please inform the docent if you plan on eating at the History Museum after the program.
5. The History Museum has a gift shop. Please inform your docent if your students would like to visit the gift shop.
6. **BRING YOUR CAMERA!**

Consult your invoice for the program fee. Make checks payable to the **San Mateo County Historical Association**. Indicate on the check the name of the school and the date of the program. If you have any questions, please call the History Museum at (650) 299-0104.
