

Sanchez Adobe Historic Site

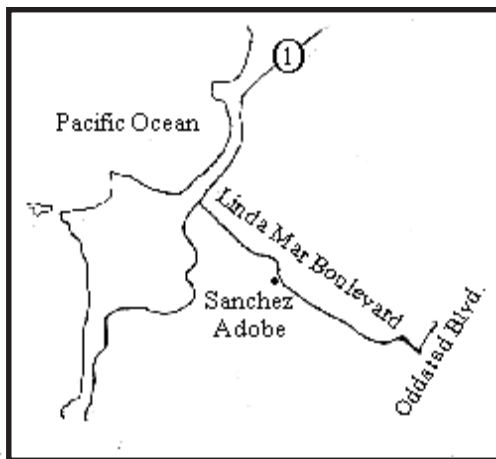

1000 Linda Mar Boulevard, Pacifica, CA 94044
 (650) 359-1462 www.historysmc.org

Dear Chaperone:

Your student's class is scheduled for an educational program at the
Sanchez Adobe on _____.

The program consists of a tour of the grounds, a video, and several hands-on activities such as adobe brick making, candle making, and corn grinding. The video emphasizes the general history of the site. The program schedule is:

10:00 a.m.	-----	Arrival
10:10-10:30 a.m.	-----	Snack Period/Program Instruction
approx. 10:30 a.m.	-----	Program Begins
approx. 12:45 p.m.	-----	Program Ends/Lunch

Driving Directions:

From Freeway 280, exit on Highway 1 South to Pacifica. Continue on Highway 1 for approximately 5 miles. Turn left on Linda Mar Boulevard. The Sanchez Adobe is on the right just past Adobe Plaza.

Thank you for volunteering to chaperone this trip. We appreciate your assistance.

1. Upon arrival, please wait inside the picnic area inside the gate with the students until the site manager is ready to begin the program.
2. This program would not be possible without the assistance of chaperones. Chaperones will be asked to assist with one of three hands-on activities. The site manager will provide instruction for all activities. Everything is easy and fun.
3. Dress in layers in clothes that can get dirty.
4. The students will be getting into the mudpit. They will have a chance to clean-up following the activity, but you might want to bring extra towels to protect your car seats on the trip home.
5. Bring your camera!

THANK YOU FOR YOUR HELP!
