## *Love & Marriage: Victorian Style*

LIVE THEATRE

TWO PERFORMANCES

12:30 pm & 3:00 pm

*Love and Marriage: Victorian Style* explores courtship rituals, wedding traditions and marriages of millionaires. Set during an engagement party at a Peninsula estate, guests gossip about other famous couples of the Peninsula.

While the ladies complain about how difficult it is to find a good man, the gentlemen bemoan another poor fellow being trapped into marriage.
