Dear Chaperone:

Your student's class is scheduled for an educational program at the
Woodside Store on _____.

The program consists of a slide show, games to familiarize the children with the objects sold in the Store, and several hands-on activities such as washing clothes, filling and calculating store orders, and using a two-man saw. The program schedule is:

10:00 a.m.	-----	Arrival
10:00-10:20 a.m.	-----	Snack Period/Program Instruction
approx. 10:20 a.m.	-----	Program Begins
approx. 12:30 p.m.	-----	Program Ends/Lunch

Driving Directions:

From Freeway 280, exit on Woodside Road. Continue west on Woodside Road for 3 miles through town. Turn right on Kings Mountain Road. After approximately 1 mile, turn left on Tripp Road. The Woodside Store is on the corner of Kings Mountain and Tripp Road. Please park in the parking lot, not on the street.

Thank you for volunteering to chaperone this trip. We appreciate your assistance.

1. Upon arrival, please wait with the students in the picnic area to the back of the parking lot until the site manager is ready to begin the program.
2. This program would not be possible without the assistance of chaperones. Chaperones will be asked to assist with one of three hands-on activities and an object hunt. The site manager will provide instruction for all activities. Everything is easy and fun.
3. Dress in layers in clothes that can get dirty.
4. Bring your camera!
5. The Woodside Store has a small giftshop. Classes often shop in small groups of 4-5 during lunch. Chaperones supervise the shopping.

THANK YOU FOR YOUR HELP!
